

Author Sag

Att. to AD, AM, Department M, Branch offices

**Restriction ► Executions free of oil and grease****1 Variants (acc. order code selection table)**

For all products the free of oil and grease executions will be removed.

**► Only for products 520 and 521 a free of oil and grease execution will be offered!**

Existing customers who purchase other products as a free of oil and grease execution for replacement, must be converted to the pressure transmitter 520 or the electronic pressure switch 521!

**IMPORTANT:**

- This measure has immediate effect! The order code selection tables will be amended promptly!
- Data sheets and price lists will be amended as well.

Affected products:

Type 500	Pressure transmitter
Type 507	Pressure transmitter
Type 511	Pressure transmitter / Electronic pressure switch
Type 514	Pressure transmitter
Type 528	Pressure transmitter
Type 529	Electronic pressure switch
Type 615	Electronic pressure switch
Type 691	Pressure transmitter
Type 692	Differential pressure transmitter

**2 Customerspecific articles (99-no.)**

In the medium resp. long term all 99-no. articles must be converted to the products 520 and 521 as well. The affected 99-no. articles are in clarification at the moment. We will communicate those articles to you after clarification. Afterwards the further procedure could be defined.

Thanks for your attention!
